Direct and indirect management

Commitment contracted amount EUR million

708,11

Direct and indirect management

Commitment consumed amount EUR million

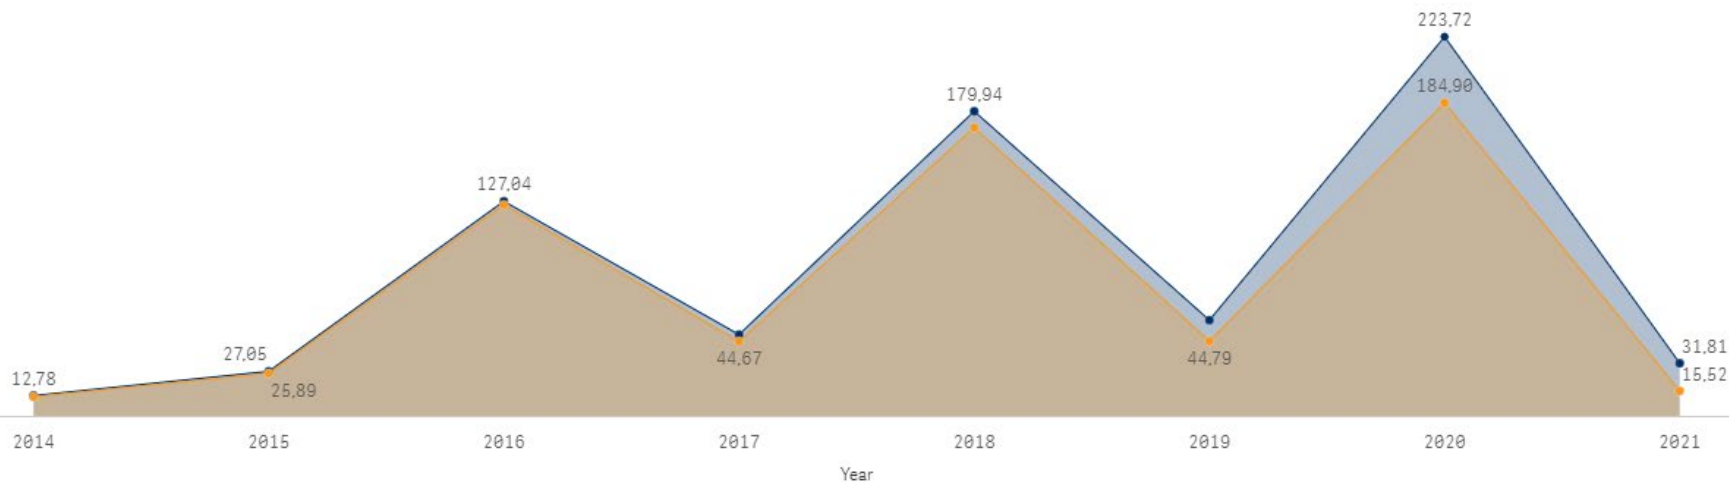

623,03

Direct and indirect management

Multiannual view of expenditure under direct and indirect management

• Commitment contract... • Commitment consum...

The difference between the amounts contracted and consumed is due to the time elapsed between the moment the contracts are signed and the actual payments are made. Some projects are multi-annual and run over several years. As of financial year 2021, the FTS includes also a complete publication of commitments under "indirect management".

Canale MS TEAMS

The screenshot shows a Microsoft Teams interface for a channel named "HorizonEurope". The left sidebar contains navigation options: Home, Azioni, Chat, Attività, Team, Calendario, Pausa caffè, Videoteca, and Applicazioni. The main area displays a "Generale" channel with three messages from Eusebio Giandomenico.

Message 1: Sent 16/01 11:59. Title: "EIC Pathfinder: 180 milioni per idee audaci e per tecnologie radicalmente nuove". Content: "HorizonEurope Scadenza 7 marzo 2023 (attenzione -> 17:00:00 Brussels time). Tutte le informazioni nel WP disponibile a questo link: https://eic.ec.europa.eu/eic-funding-opportunities/eic-pathfinder_en".

Message 2: Sent 17/01 16:19. Title: "Cluster 2 - 'Culture, Creativity and Inclusive Society'. Pubblicati in anteprima i video di presentazione dei bandi 2023". Content: "Se non conoscete bene i bandi 2023 del Cluster 2 e volete farvi prima un'idea potete leggere il [Programma di lavoro](#) che contiene i bandi e congiuntamente ascoltare i funzionari della Commissione europea nei video che trovate indicati di seguito:".

Message 3: Sent 18/01 15:04. Title: "Bandi ERC 2023, scadenze, template commentato e casi di eleggibilità". Content: "I bandi ERC di HorizonEurope finanziano la ricerca di base e sono a tema libero. In allegato il template commentato da APRE ed una guida che affronta i casi particolari di eleggibilità. Di seguito le prossime scadenze:".

At the bottom of the channel, there is a "Nuova conversazione" button.

AI OSERVER:

«... AI-OBSERVER project aims to significantly **strengthen and stimulate the scientific excellence and innovation capacity, as well as the research management and administrative skills** of the ECoE, through several **capacity building** activities on AI for EO applications in the Disaster Risk Reduction thematic area, upgrading and modernising its existing department of Resilient Society, as well as its research management and administration departments, and assisting the ECoE to reach its long-term objective of raised excellence on AI for EO on environmental hazards....”

CANVAS:

“..the main objective is to significantly raise the scientific profile, **networking, and research Management competencies** at the International Centre for Cancer Vaccine Science (ICCVS) at the University of Gdańsk (UG), Poland, to achieve improved research excellence in cancer vaccine science. The project aims to contribute to **reduction of the disparities in R&I** in Europe by networking activities with outstanding leading European research partners...”

AI4AGRI

“...The AI4AGRI project aims at creating a dedicated **research center** for AI in EO for the agricultural sector. The research excellence will be achieved through dense **networking activities** with two top research institutes in France and Italy in AI and EO. AI4AGRI research center will become a reference **to train young scientists** in the domain of AI for agriculture, providing maps of vegetation status for Romanian farmers based on EO data using AI. AI4AGRI will develop **administrative and management skills for research and innovation...**”

Esperienza widening a UTV

Specificità del Programma WIDERA:

«Ampliare la partecipazione e consolidare lo Spazio europeo della ricerca»

Quali opportunità per UTV:

- Consolidare le esperienze precedenti (es. COST, Copernicus..);
- Promuovere il programma presso la macroarea socio-umanistica, in particolare!
- Ulteriore opportunità di networking;
- Twinning: scambio di buone pratiche nel settore delle capacità di gestione della ricerca nei paesi Widening – non solo nel settore accademico;

Da: AI OBSERVER: RMA-WEB1 (M2; Leader: UNITOV; 30 attendees; 0.5 day)
