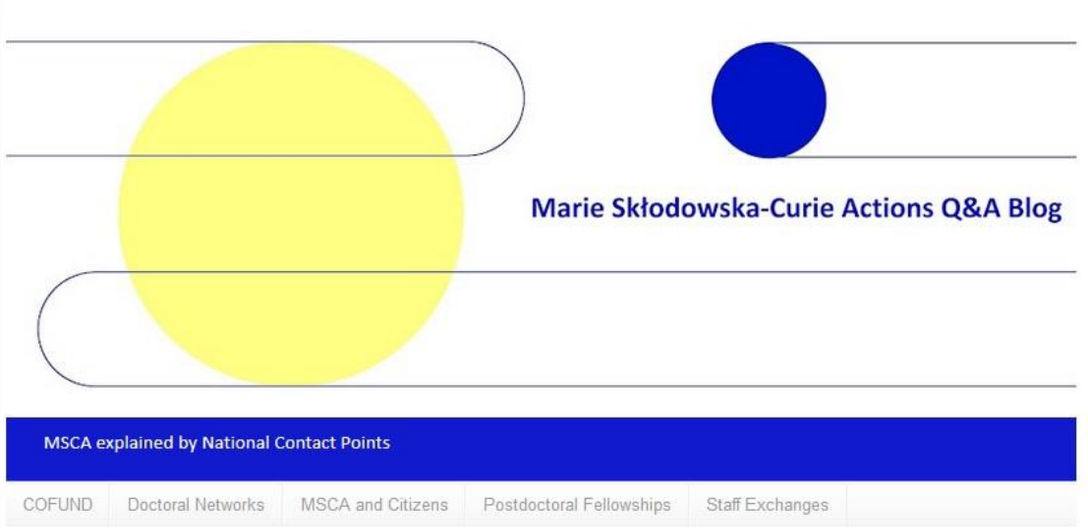
Questions and Answers Blog



- **Q&A Blog – Horizon Europe Blog and H2020 Blog**
- **The questions and answers there are also based on REA's answers to NCPs' queries and official documents**
- **Each entry is labelled by MSC action** (Doctoral Networks, Postdoctoral Fellowships, Staff Exchanges or COFUND)**, by relation to application process or management** (Application, GAP or Management) **and then a third label is assigned – concerning the topic of the question (**e.g. Secondments, Eligibility, Associated partners, Resubmission, Budget, Deliverables, Multiple recruitment, Co-funding, etc.)**. For some questions, where appropriate, there is also a fourth label introduced.**

MSCA-NET

MSCA-NET

What is MSCA-NET?

MSCA-NET is the project of the international network of MSCA National Contact Points (NCPs) financed under Horizon Europe. Its objectives are: to improve, professionalise and harmonise services of MSCA NCPs and to simplify access of potential applicants to the Horizon Europe MSCA calls.

H2020 Q&A Blog

You can find the Q&A blog for H2020 here

MSCA Handbooks

- These documents present a valuable addition to the “MSCA Guide for Applicants” prepared by the EC.

- The handbooks include:
  - Overview of the policy context and the rationale for the call;
  - In-depth guide on how to write a competitive ‘’Part B’’, including suggestions on what to write
  - Tips and tricks for writing a successful proposal

- The handbooks are open for distribution to potential MSCA fellows/beneficiaries**.**

Policy briefs

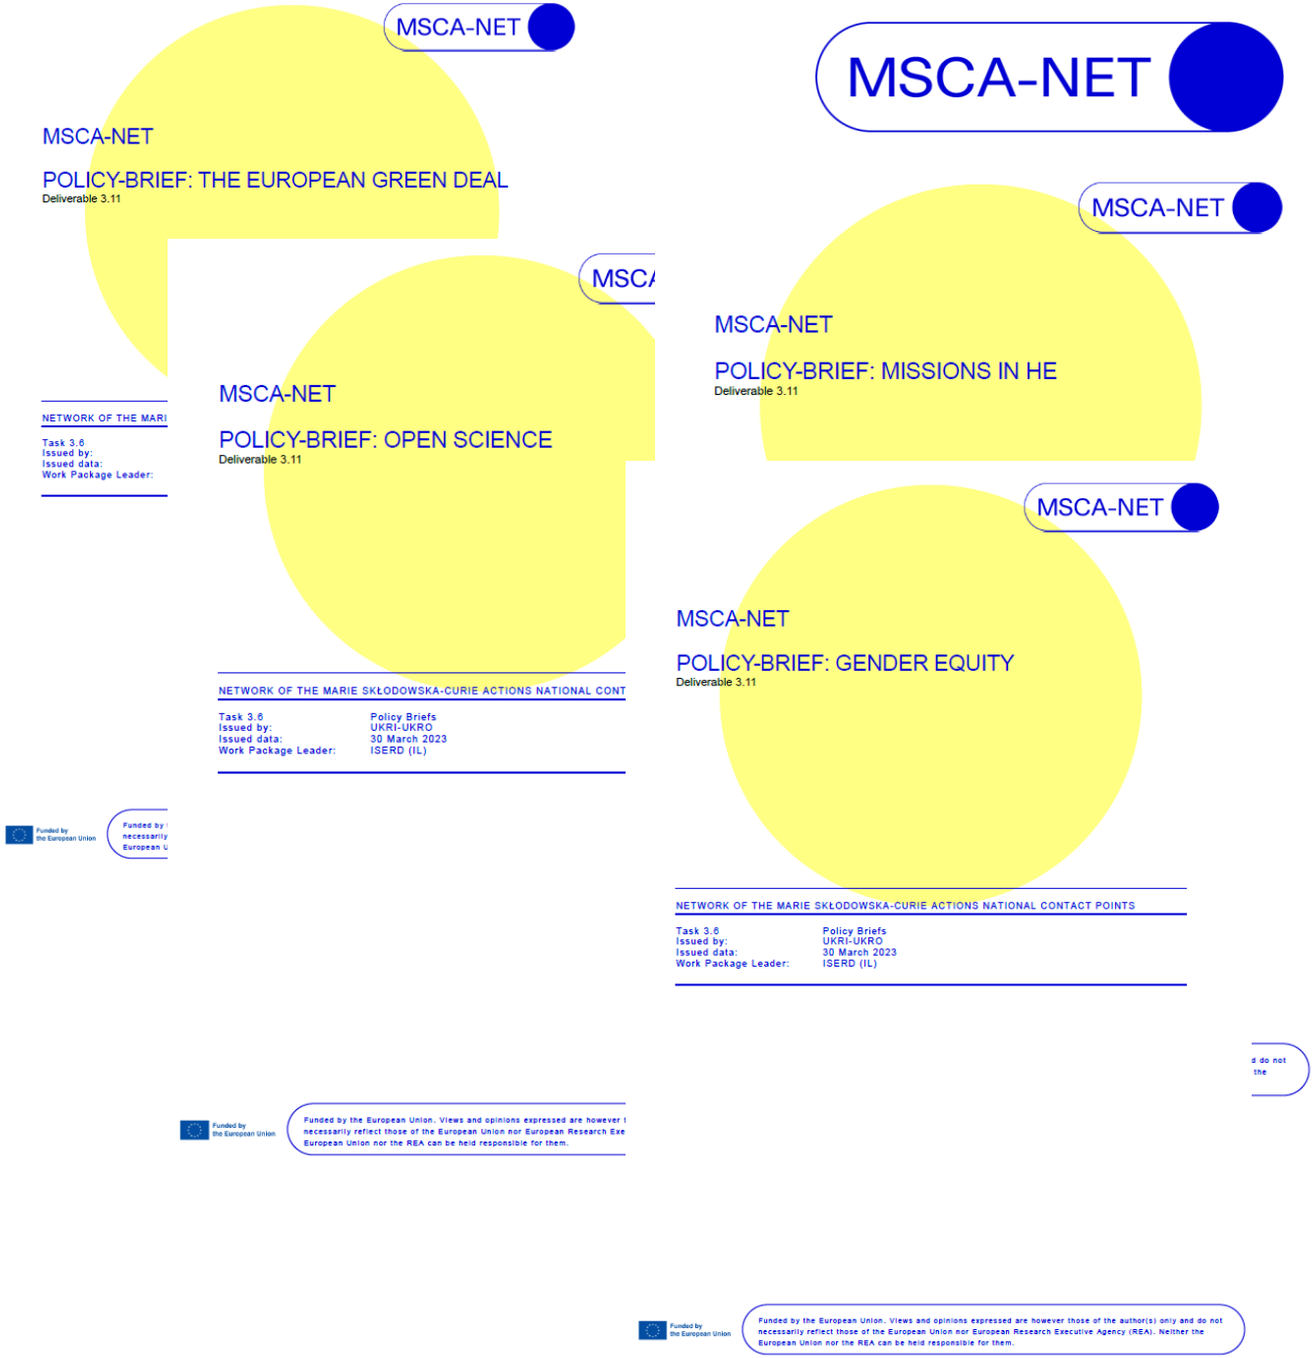
The topics are Gender, Open Science, the EU Missions, and the European Green Deal.

These documents give a concise overview of the mentioned policy topics with a focus on their relevance for the MSCA.

They are for your use to learn about the policy background of these topics, but also for the use of researchers and facilitators preparing proposals and implementing their projects, so feel free to forward them to interested parties.

The documents are available

- On the MSCA-NET website



MSCA Matchmaking Platform

MSCA-NET

- The MSCA matchmaking platform brings together fellows, companies, supervisors, NGOs and academic institutions from a large number of European countries and beyond.
- MSCA matchmaking platform is a unique opportunity to generate new contacts and future successful projects in the upcoming MSCA calls.

- Using this platform, our clients can publish their researchers' profiles, and company profiles and offer hosting arrangements to attract talents or participate in Doctoral Networks and Staff Exchanges proposals.
