EU4Health – 4 General objectives

EU4Health is a clear message that public health is a priority for Europe: it is the response to COVID-19 crisis and it is the instrument to pave the way towards a European Health Union

IMPROVE & FOSTER HEALTH

Improve & foster health in the Union to reduce the burden of communicable and non-communicable diseases, by:

- supporting health promotion and disease prevention,
- reducing health inequalities,
- fostering healthy lifestyles
- promoting access to healthcare

PROTECT PEOPLE

Protect people in the Union from serious cross-border threats to health and strengthening the responsiveness of health systems and coordination among the MS in order to cope with serious cross-border threats to health

ACCESS TO MEDICINAL PRODUCTS & MEDICAL DEVICES

Improve the availability, accessibility and affordability of medicinal products and medical devices, and crisis-relevant products in the Union, and supporting innovation regarding such products

STRENGTHEN HEALTH SYSTEMS

Strengthen the national health systems by improving their resilience and resource efficiency through:

- supporting integrated and coordinated work between MS;
- promoting the implementation of best practices & promoting data sharing;
- reinforcing the healthcare workforce;
- tackling the implications of demographic challenges;
- advancing digital transformation

EU4Health – 10 Specific objectives

Health is an investment: the EU4Health programme will provide financial support for delivering on the EU Health policy along ten key areas of intervention

IMPROVE & FOSTER HEALTH

- Health promotion and disease prevention; cancer
- International health initiatives & cooperation

PROTECT PEOPLE

- Prevention, preparedness & response to cross-border health threats
- Complementing national stockpiling of essential crisis-relevant products
- Establishing a reserve of medical, healthcare & support staff

ACCESS TO MEDICINAL PRODUCTS & MEDICAL DEVICES

- Enhancement of availability, accessibility & affordability of medicinal products, medical devices and crisis-relevant products

STRENGTHEN HEALTH SYSTEMS

- Strengthening health data, digital tools & services, digital transformation of healthcare
- Enhancing access to healthcare
- Developing and implementing EU health legislation and evidence-based decision making
- Integrated work among MS health systems

European Commission

EU4Health work programmes – 4 strands of action + cancer

EU4Health supports a broad range of actions under four overarching "strands" with a cross-cutting focus on cancer

POSSIBLE ELIGIBLE ACTIONS

CANCER

CRISIS PREPAREDNESS

- Protect citizens from serious cross-border health threats
- Strengthen health systems response
- Enhance coordination among Member States to cope with serious cross-border threats to health

HEALTH PROMOTION & DISEASE PREVENTION

- Improve and foster health in the EU
- Reduce the burden of communicable and non-communicable diseases
- Support health promotion and disease prevention
- Reduce health inequalities
- Foster healthy lifestyles

HEALTH SYSTEMS & HEALTHCARE WORKFORCE

- Improve availability, accessibility and affordability of medicinal products and medical devices, support their innovation
- Strengthen resilience and sustainability of health systems
- Reinforce healthcare workforce

DIGITAL TRANSFORMATION

- Advance digital transformation of health systems
- Strengthen primary & secondary use of health data

CALL FOR PROPOSALS | Closed

2023 EU4Health calls for action grants

HaDEA has published 12 calls for proposals under the 2023 EU4Health Work Programme.

The topics, numbered from PJ-01 to PJ-12, include healthcare access, mental health, NCDs, cancer, Substances of Human Origin and medical devices.

The calls have a total budget of €19 960 000.

- EU4H-2023-PJ-01: Supporting access to medical devices for cross border health threats (HERA)
- EU4H-2023-PJ-02: Supporting stakeholders on the prevention of NCDs in the area of chronic respiratory diseases
- EU4H-2023-PJ-03: Preventing NCDs in the area of mental health including actions supporting vulnerable population groups, such as migrants, refugees, Roma people and displaced people from Ukraine
- EU4H-2023-PJ-04: Preventing NCDs in the area of dementia and other neurological disorders
- EU4H-2023-PJ-05: Supporting the implementation of the strategic agenda for medical ionising radiation applications (SAMIRA) – organisation of clinical audit campaigns as a tool to improve quality and safety of medical applications of ionising radiation
- Action grants on mental health challenges for cancer patients and survivors:
  - EU4H-2023-PJ-06: Sub-topic (a): Mental health and Cancer
  - EU4H-2023-PJ-07: Sub-topic (b): European Code for Mental Health
- Action grants on the safety and quality of new Substances of Human Origin (Breast milk, faecal microbiota transplants)
  - EU4H-2023-PJ-08: Sub-topic (a): Breast milk
  - EU4H-2023-PJ-09 : Sub-topic (b): Faecal microbiotic transplants
- EU4H-2023-PJ-10: Action grants on Facilitating Organ Paired Exchange
- EU4H-2023-PJ-11: Program on orphan medical devices, in particular targeting paediatric patients
- EU4H-2023-PJ-12: Action grants to contribute to the organisations of conference and events

European Commission

European Health and Digital Executive Agency (HaDEA)

12 calls for proposals under the 2023 EU4Health Work Programme.

The topics include
- Healthcare Access
- Mental health
- NCDs,
- Cancer,
- Substances of Human Origin and
- Medical Devices.

The calls have a total budget of €19 960 000.

CALL FOR TENDERS | Ongoing

EU4Health call for tenders to speed up innovative medical countermeasures (MCMs)

PAGE CONTENTS

Details
Description

Details

Status	ONGOING
Publication date	22 September 2023
Deadline date	4 December 2023, 16:00 (CET)
Opening of tenders	22 September 2023
Programme Sector	Health
Programme	EU4Health
Tags	Medical research • Public health • Tendering

Description

The subject of this call for tenders is to conclude service contracts for the purchasing of clinical and non-clinical services in view of developing innovative medical countermeasures (MCMs) and speed up availability and access to them in the EU/EEA. By medical countermeasures we refer to medicines and medical supplies that can be used to diagnose, prevent or treat diseases that could become a serious cross-border threat to health.

This procurement procedure aims at enabling the EU/EEA to have privileged access to promising and innovative products for:

- Preparedness purposes,
- Response to crisis situations, regardless of whether the product is still in the investigational phase or has been placed on the market.

The privileged access envisaged in this call for tenders refers to, first, the priority right to purchase and, second, the obligation to ensure exclusive reservation production upon notification.

Estimated budget: €82 000 000

All interested parties are invited to send in their applications by 4 December, 16:00 (CET).

i) stepping up national work and collaboration in the group of national competent authorities;
j) expansion of MyHealth@EU digital service infrastructure with a wider range of services and to more Member States;

DRAFT

EU4Health: Programma Europeo Salute 2021-2027

Punti Focali Nazionali

I National Focal Point (NFP) sono gli esperti nazionali per il Programma EU4Health nei paesi dell'Unione Europea (UE) e nei paesi partecipanti al Programma; vengono nominati dai rispettivi Ministeri della salute nazionali. Il NFP per l'Italia è stato identificato presso il Ministero della Salute, attualmente presso il Segretariato Generale.

E' possibile contattare il Punto focale nazionale italiano:

- tramite l'indirizzo Email nfp_eu4health@sanita.it
- per via telefonica **0659943173 - 0659943338**.

Inoltre, richiedendo l'inserimento nella "mailing list ufficiale" del Punto focale, è possibile ricevere regolari informazioni sul Programma ed in particolare in merito ad eventi informativi nazionali, alla data di pubblicazione e di scadenze dei bandi, etc.

Il ruolo specifico dei NFP è quello di supportare HADEA riguardo ai seguenti aspetti:

- implementazione del Programma EU4Health a livello nazionale
- diffusione dei risultati conseguiti tramite le azioni finanziate dal Programma
